Additional Debit Card Sub Users	х	х	~	~	~

^{*}Minimum daily balance must be maintained in indicated account to avoid fee.

^{**} The dividend rate received will be either set or it will be tiered after any minimum balance requirements to qualify for dividends are met. Set Dividend means you will receive one rate for your account, regardless of account balance.; this rate may change from time to time. Current rates may be obtained at https://www.launchcu.com/rates/. Tiered Dividend means that the dividend rate you will receive will be based on deposit balance range (or tier) of your combined ending statement balance. With the Tiered Dividend, as the balance in your account increases, you may have the potential to earn more dividends.

***The term "Combined Monthly Balance" refers to the total combined balances in all deposit and certificate accounts per membership. This fee is determined based on the total combined balances on the last day of the month.

^{****} Amounts are charged per deposit item and per withdrawal item, but excluding Wires, bRDC, ACH credits and debits, and card transactions.
